Frequently Asked Questions of customers booking 1-5 Tickets

Which section I should book?

We have two sections each designed for children of a specific age or ability. Our BABY section is best for little ones who are able to sit or crawl. Our upper age limit is 23 months. The JUNIOR section is best for climbing explorers from age 2, however we are happy for children from 18 months to venture into the junior section if able. Our upper age limit is 10 years.

When should I arrive for my Hullabaloo booking?

The Sherriff Centre opens at 9am, so please don't arrive much earlier than this as you might find the big wooden doors closed. For all other sessions, we ask that you don't arrive more than 10 minutes before your booking.

I can't come anymore, can I get a refund?

Yes, just email or call by 5pm the day before and we'll happily refund your booking.

I have a newborn, can my friend accompany my child inside the instead?

Yes of course! We welcome parents, grandparents and friends to assist children in Hullabaloo until they are happy and able to venture through it alone!

Do I need to wear socks?

Can I reserve a table?

We will reserve a suitable number of tables for 2 hour bookings only (when a booking exceeds 5 tickets) Bookings made for 1 hour will not be allocated table space. These will be based on the size of your party. There is no need to arrive early to do this yourself, your name will be displayed on the table clearly for you and your guests to see.

How long can I stay after my booking?

We do have limited seating for Hullabaloo customers during the week so if it's busy we may ask for your table back after your hour of play. You can always take your coffee to go or book another hour in our soft play. On Saturdays we ask that you leave after your Hullabaloo has finished.
